

PRESIDENTIAL PROCLAMATION NO. 13-84

*Declaring April 22, 2013 Earth Day:
“Act Now! Clean Water, Air, Energy, Healthy Palau”*

WHEREAS, April 22nd is internationally recognized throughout the world as Earth Day to promote understanding of the need to conserve the Earth’s resources and planetary environment; and

WHEREAS, it is everyone’s responsibility, as stewards of the Planet Earth and its environment, to prevent excessive exploitation and depletion of our natural resources; and

WHEREAS, our island environment is very fragile and our future livelihood depends on its preservation; and

WHEREAS, sustainable development will help today’s Palauans achieve their desired financial goals and lifestyles without jeopardizing future opportunities for tomorrow’s generation of Palauans; and

WHEREAS, the purpose of Earth Day is to proclaim a day upon which we will remind ourselves of the importance of protecting the Earth and conserving our natural resources and natural beauty for the sake of future health and prosperity; and

WHEREAS, collaborative efforts between the leaders of today and tomorrow is encouraged to stimulate actions to sustain our environment from our ridges to our reefs; and

WHEREAS, all Palauans are encouraged to take those personal and community actions necessary to enhance and preserve our natural environment and to participate in Earth Day activities; and

WHEREAS, this year’s Earth Day theme is “Act Now! Clean Water, Air, Energy, Healthy Palau”, recognizing the need to identify and implement sustainable and efficient practices that can be achieved by every man, woman and child to promote the continued protection of our natural environment for future generations;

NOW, THEREFORE, by virtue of the authority vested in me as President of the Republic of Palau, and in the interest of conserving Palau's natural resources for future generations, I hereby proclaim 22 April 2013 as Earth Day in the Republic of Palau, with activities to be scheduled for April 19, 20 and 22 of April 2013 and to be coordinated by the Earth Day Committee as chaired by the Palau Environmental Quality Protection Board.

SO PROCLAIMED this 17th day of April 2013 at Koror State, Republic of Palau.
